Welcome to the winter wonderland of the Salzkammergut!

Lose all sense of time in the snow. Glide, marvel, warm yourself in the sun. Breathe deep and feel it in your soul. This is winter in the Salzkammergut: the magical whiteness, the mountain summits glistening in the sun, the crystal-clear lakes and the warmth of the people will give you strength.

Eight holiday regions with unique offerings provide all that is needed for a feeling of well-being while skiing, cross-country skiing, ski-touring, sledding, ice-skating, snowshoeing and much more. One thing is certain: you don't come to the Salzkammergut to be a guest, you come to feel at home.
